

Goal Buddy Mentoring

(Elementary School)

Goal Buddies:

- focus on improving student performance in reading, math and life skills through goal setting.
- work in volunteer teams and meet individually with the same group of students during school visit.
- attend quarterly goal achievement celebrations with students, families, teachers and other program volunteers, at which students are honored for accomplishing their goals.

Length of Commitment:

- A minimum of 1 school year -1 visit (2 hrs) per month (*Same weekday and time each month*).

Support Team:

- Fellow goal buddies and P4K program coordinator

Volunteer Requirements:

- Complete application, an introductory training session and participate in an annual background screening.
