The Partnership For Our Kids serves 5,000 Omaha Public Schools student who are at-risk of dropping out of school. “Partnering with Omaha Country Club to offer an excellent golf outing is a fun way to increase community awareness and funding for our quality programs,” said Partnership For Our Kids Development Director, Nicole Everingham.

The Partnership For Our Kids was formed in 2007 when Omaha youth-serving organizations, Winners Circle and All Our Kids joined forces to support disadvantaged youth from kindergarten through high school. The Partnership is dedicated to providing a community of caring that helps more Omaha youth to graduate and pursue higher education. Today, the Partnership serves 5,000 students in 22 Omaha Public Schools, providing them with caring adult mentors and goal buddies, career exploration opportunities, service learning projects, goal-setting skills, academic support and college access.
