*"We did have a good time. The kids really liked riding everything as much as they wanted and I liked it not costing a fortune."*

*"Our kids and teachers had a wonderful time. Please keep us in mind for next year!"*

*"We all had a wonderful time! Was it you that ordered the perfect weather? :-) All the moms in my group agreed that the value of the Kids Packages was amazing. It was also very nice to be there on Friday afternoon when the crowds were less. I truly do not think many would have come down on their own--but because of the Kids Packages, it drew us in--and many families went back on Saturday or Sunday!"*

The Kids Club is an unbelievable opportunity. To enjoy this Unique Community Celebration that includes 4 hours of rides, meal and drink.
