

The P4K Mentoring Experience:

As a P4K mentor you'll have the support of a Program Coordinator who will be on site throughout your Goal Buddy experience. We take care of the logistics so that you can spend your time engaging with the students.

What is a Goal Buddy?

Commitment: 1 school year

You will work with Elementary students. Volunteers take part in 10 visits each school year which occur monthly, are scheduled in advance, and last one hour.

Goal Buddies review and support students in their reading and life skill goals. Semester celebrations unite the school and the community in recognizing our students' successes.

P4K Goal Buddies serve the following OPS schools; Belvedere, Conestoga, Field Club, Fontenelle, Franklin, Jackson, Kellom, King, Miller Park, Mount View, Sherman and Skinner Elementary
