INTRODUCING BACK SWING!

## 2024 GOLF LEGACY AWARD RECIPIENT: JEFF PORTER

As our annual golf tournament approaches, remember that your sponsorship does more than just support an event; you ignite potential and foster the skills necessary for our youth to excel in the Omaha workforce. Your support doesn't just change lives; it shapes the future of our community.

Let's create a future where every child in Omaha has the tools to succeed in the workforce. Picture a community thriving with young, inspired minds ready to make a difference. This isn't just a dream; it's what we strive for every day at P4K with our 2,500 students.

**Thank you for investing in our youth and the future of our community.**

If you are looking for a way to support P4K, and you won't be golfing this year, please consider supporting our student scholarships. Every spring, P4K celebrates the incredible accomplishments of our high school graduates by presenting them with college scholarships at our Graduation Celebration. P4K students enrolling in postsecondary education or a certificate program is eligible for financial support. Our goal is to help our first-generation students graduate with a mortgage-paying career with little to no college debt. You are invited to name and present the scholarship in the spring of 2025.

Your donation, of any amount, is greatly appreciated as we work year round to support Omaha students struggling to claim their place in this great community. When child advocates like you make a gift to P4K, our students experience more college and career tours, hands on - project based learning in STEAM, and individualized case management to help them navigate life's uncertainties.
