35 YEARS, TOGETHER.

Our favorite thing to do, aside from watching our students succeed is to share their accomplishments with our community and our champions, like you.

In April, we came together at our annual Hops & Grapes fundraiser, where we were honored to have 194 attendees, despite the tornado that tore through our communities. We shared heartfelt memories at our 35th anniversary gala, where we honored Carol Russel, Gail Yanney and Ward Chambers with the first-ever Spirit of P4K award for their dedication.

Together, we reminisced about the countless lives touched and the dreams nurtured through our programs. The energy in the room was palpable, filled with a shared passion for education and community empowerment. Your support of these events provides support to continue the work we do for our students.

We are deeply grateful to everyone who has supported us on this journey. Together, we will ensure that every student has the opportunity to reach their full potential and contribute meaningfully to their communities.

Thank you for being an integral part of the Partnership 4 Kids family. Here's to many more years of success and celebration!

OUR MUSTACHE JOURNEY

In April, P4K was among the 7 selected 2024 Mustaches For Kids Charity Partners and it was a wild ride! At M4K, growers shave it all off and start fresh, growing their mustaches to raise money for the chosen partners. P4K we lucky to have had 15 dedicated growers who stepped up and grew for us, all month long.

We are thrilled to announce that Mustaches For Kids raised over \$1 million for this years' charity partners! It's been an honor to have been selected for this opportunity. Our staff, students, growers and community made memories and shared some laughs as we went on this mustache journey!

BELIEVE IT, ACHIEVE IT!

Our Goal Achievement Honors Ceremony, hosted at the Holland Performing Arts Center was inspiring as we celebrated the achievements of 160 elementary students over the 2023-2024 school year. The event was filled with joy, laughter, and a sense of accomplishment that permeated the air.

Speeches from alumni and community leaders resonated as they offered words of wisdom and encouragement. The future is bright for these students, as they embark on new journeys armed with the knowledge and skills they have gained.

GOING FOR THE GOLD

Deb Denbeck took a moment to honor dedicated mentors, OPS teachers and principals, and volunteers whose unwavering support has been instrumental in shaping the success of our students. DLR Group was recognized as our Star Mentor Advocate of the year, LaDazja Ivory was awarded as Mentor of the Year, Ammelia Mendoza-Lopez received recognition as Peer Mentor of the Year, Victoria Arrowsmith was awarded Goal Buddy of the Year and Jeanne and Barry Stark were recognized as Book Buddies of the Year. Their commitment makes a significant difference in the lives of many, fostering an environment where every student can thrive.

As we look ahead, we remain committed to our mission of empowering youth through education and mentorship. Congratulations to all our graduates, and here's to the many more successes to come!
